Our experienced staff are here to ensure that the products reach you smoothly.

ABOUT US

IMERAX PLASTİK SAN.VE TİC. LTD. STİ., which was established in Istanbul in 2020 in order to meet the demands of our valued customers in the furniture accessories industry, to develop them and to contribute to the modern level of our furniture accessories industry by following the latest innovations in technology, in order to offer quality at affordable prices by adopting an economical price policy. With the brand "imerax", it aims to show a stable growth with its professionalism, creativity, honesty and market development features.

The company management, which closely follows the developments in the sector and new demands in the market, aims to be one of the leading companies in the sector with its strong administrative and financial background. In every region of Turkey and throughout the world we set out with a pioneering and exemplary quality, innovative step.

The Imerax family adopts as its basic policy to use modern management techniques in all its works, to complete the projects it undertakes on time, by choosing materials and workmanship that have proven themselves in the market and whose quality has been documented.

Regards,
